avalonlibrary.org

Remember the first time you stepped into a library.

The entrance might have been grand and marble or it may have been the humble hillside entrance of the old **Avalon Public Library** below the police station or even the location in the elementary school basement. A librarian sat at a wooden desk stamping due dates and looking up library cards in the Rolodex. Dewey Decimal codes ran down book spines. The bright faces of the Cat in the Hat and Curious George smiled from shelves. You took as many books as you could carry.

The current **Avalon Public Library** has the same familiar titles—and bestsellers, a computer lab and free wifi, job searching tools, baby storytimes, drawing and writing clubs, yoga for seniors, movie screenings, and more waiting for you!

The **Avalon Public Library** circulates 46,000 print books, e-books, CDs, DVDs, and audiobooks yearly to more than 36,000 visitors.

In order for the **Avalon Public Library** to continue to provide these wonderful services to patrons of all ages, we need you!

\$25 can provide a large print book.

\$50 can provide four hours of computer use.

\$75 can provide a storytime for ten children and parents.

\$100 can provide a mystery book club discussion.

\$500 can provide a shelf of teen reading material.

\$1000 can provide special events, like the Summer Reading party and prizes.

You can help us reach our \$10,000 fundraising goal for 2016. Please give generously to support the **Avalon Public Library**.

Thank you in advance for your kindness,

Friends of the Avalon Public Library
